Keep your Little Reader Cover clean with these simple spot cleaning instructions.

Blot Dry

When spills occur: using a gentle touch, carefully blot up any spills with a towel. Do not rub frantically, as this will drive the stain further into the weave of the fabric, making it even more difficult to remove. If the spilled substance is a thick product, i.e. mud, let it dry before prying off and brushing away any residue.

Spot Clean

Most stains can be spot-cleaned with just a touch of mild soap and water. Most spills will bead on the surface and can be absorbed with a paper towel before leaving a residual stain. If a stain does occur, remove the cover and put it in the washing machine.

If the stain remains, clean with these simple washing instructions.

Remove Cover

Unzip and separate the outer cover from the interior foam of the chair. Do this by inserting a paper clip into zipper head and unzipping. Cover should only be removed by an adult. Keep foam and cover away from children while they are separated.

Machine Wash Cold

Wash outer cover ONLY on the gentle/delicate cycle in cold water. Wash with like colors. Fabric dyes may bleed. Do not use a bleach solution. DO NOT WASH FOAM.

Tumble Dry Low

Dry outer cover on the tumble/air cycle. Put cover back on the foam when it is completely dry and cool. Zip up using the paper clip, and your Little Reader is ready for play!

WARNING:

NOT A BOOSTER SEAT.

This chair should never be used as a booster seat and should never be used on a raised surface.

CHOKING HAZARD

Immediately remove from child if fabric is torn or tearing, as this may present a choking, entanglement, and/or entrapment hazard. Keep foam away from children while it is without the cover. Keep cover away from children while it is without foam.

THIS PRODUCT COMPLIES WITH CALIFORNIA PROPOSITION 65.

Maintenance

At P'kolino we design our products to be low maintenance, however misuse, irregular use, or improper cleaning can result in product malfunction. Regularly check the fabric. If fabric is dirty or spotted follow the methods listed to clean. Immediately remove from child if fabric is torn or tearing, as this may present a choking, entanglement, and/or entrapment hazard.
