### *Rooney Mara*

*The 33-year-old actress and face of Givenchy Parfums lives for clean eating, meditation, and a killer lipstick*

**SKIN** “My skin is good, but it’s all about genetics and lifestyle—I’m vegan, gluten-free, don’t really drink, and sleep a lot.” **Face wash:** Tammy Fender Cleansing Milk. **Face cream:** Carasoin Cold Fusion Intense Moisture. “You keep it in the refrigerator, and when you apply it, it just melts into your face.” **Sunscreen:** “Actinica. It’s from Switzerland. You can basically put it on, go lie in the sun, and not get any color. Not that I would do that.” **On-the-go fix:** Herbivore Phoenix Regenerating Facial Oil. “They have this little travel-size you can just roll on your face.” **Facial treatment:** Face massages at Tomoko Spa in Beverly Hills.
