## The Best New Skin-Care Products Hitting Shelves in April

Because we could all use a little skin-care self-care right about now.

### Tammy Fender Restorative At-Home Facial Treatment Kit

Tammy Fender is letting everyone have the ultimate spa experience in the comfort of their own homes. The Restorative At-home Facial Treatment Kit makes it so easy to give yourself a decent facial by giving you everything you need — the Restorative Masque, Cleansing Milk, Bulgarian Rose Water, Quintessential Serum, and Bulgarian Lavender Oil — in one box to give your skin some T.L.C.
