

The 23 Best Hand Creams To Soothe Dry, Cracked Skin

How many times have you sung “Happy Birthday” while washing your hands? Or slathered your mitts in antibacterial hand sanitizer? Chances are the answer is *a lot*. And you probably have the dry, cracked hands to prove it. Since serious hand washing has become the new normal during the coronavirus pandemic, you might be overdue to add a solid hand cream to the mix. These top hand creams are skin saviors that will do the trick to heal and soften even the thirstiest skin.
