YOUTH EFFECT

Aging gracefully is one thing; aging beautifully, quite another. Accomplish the latter with our favorite "miracle" products: Illuminage Skin Rejuvenating Eye Mask with anti-wrinkle copper oxide technology (\$35, Sephora); Eve Lom Radiance Lift Cream (\$72, Sephora); Goop by Juice Beauty Effulgent Instant Facial (\$125, goop.com); Talika Skin Impunity Excess Eraser and Youth Rebound with photo-active amino acids (\$29, dermstore.com); La Prairie Swiss Ice Crystal Transforming Cream (\$195, Neiman Marcus); and Tammy Fender Intensive Repair Balm, a cell-regenerating healing cream (\$130, Tammy Fender, West Palm Beach).
