Celebrities are constantly getting slathered with chemical-heavy makeup and beauty products on-set, at photo shoots, and before they hit the runway.

But in their own makeup bags and medicine cabinets, some are super natural, opting for cleaner beauty products and healthier practices.

So who are the six famous natural beauty mavens in our midst? And what are they using? (Hint: [Tammy Fender](#), [Priti NYC](#), and [RMS Beauty](#) are celeb faves.)

You may have spotted a few of their glowing complexions on the red carpet last night.
