

TOILET

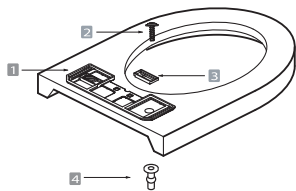

1. Attaching the rubber anchors

Remove the existing toilet seat and insert the rubber anchors into the mounting holes.

2. Attaching the mounting plate

Place the catch plate and guides over the mounting holes. Insert the mounting screw and secure the catch plate to the toilet.

- 1 mounting plate
- 2 mounting bolt
- 3 guide
- 4 rubber anchor

3. Attaching the bidet seat

Slide the bidet seat all the way on to the catch plate.
