Water Does It Better

Quick Installation Guide

Installation

How to mount the plate

Place the plate and guides over each mounting hole. Insert the mounting bolts through the plate and mounting holes, and slide cone packings and washers onto the bolts.

- 1 Mounting plate
- 2 Mounting bolt
- 3 Guide
- 4 Washer
- 5 Cone packing
- 6 Nut

How to attach and detach the unit

1 Slide the unit until it clicks into plate.

2 Lift the unit up and forward.

Toilet size (elongated & round front)

The toilet dimensions must be within those shown below. Do not install this appliance on a toilet that does not meet those dimensional requirements.

Occupied sensor

This appliance is equipped with occupied sensor.

Unit will not work unless seat is occupied.

Connecting the water hose

- 1 Close the shutoff valve by turning it clockwise.
- 2 Flush the water tank completely to empty.
- 3 Remove the existing water supply hose from the tank.
- 4 Install the T-valve on the top of stop valve.
- 5 Connect one end of the flexible hose from the T-valve to the water tank.
- 6 Connect the other end of the flexible hose from the T-valve to the main appliance.
- 7 Connect L-Valve to the main unit.
- 8 Open the shutoff valve by turning it counter clockwise.
- 9 Check for any water leaking or dripping.
