

Hey Everyone

It's Rocco! I'm happy to share with you all, our first monthly newsletter from **Detectable Warning Products (DWP)**.

My team and I have designed this newsletter to help you, our incredible partners, with your detectable warning panel needs in the best way possible.

Through our monthly newsletter, I look forward to sharing with you best practices, frequently asked questions, and other interesting information on buying and installing detectable warning panels.

I sincerely hope that you will find our newsletter informative. I would also love to hear your feedback on the content and how we can make it more relevant to you. Please write to me at [rocco@dwpnow.com](mailto:rocco@dwpnow.com) with your suggestions, questions, and product inquiries, and I will make sure to respond to you to the best of my ability.

As always, here to serve!

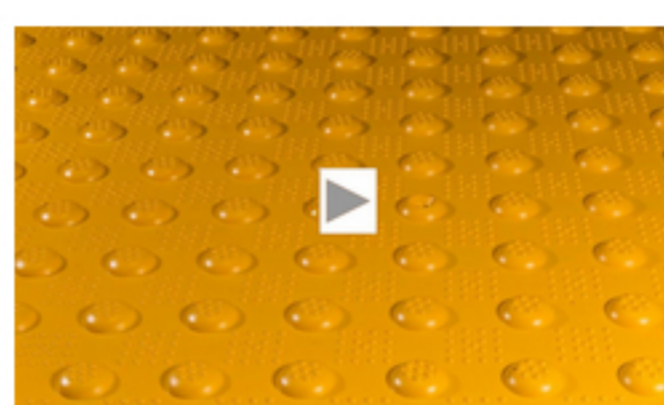

**Rocco A. Deluca II**

### Tips & Resources

Installation Tips

Tip on Concrete DWPs

### OUR LATEST PROJECT

#### Hard Rock Stadium, Miami Gardens, Florida

If you're a football (or NFL) fan, chances are you've been to the Hard Rock Stadium to see the Miami Dolphins play. But did you know that DWP supplied the safety panels for that stadium? That's just one of the many prominent places where our products have been featured worldwide!

### INDUSTRY EXPERT:

ROCCO DELUCA

- Working in the detectable warning panel industry since 2001
- Personally installed thousands of square feet of detectable warning panels
- Deeply involved with the drafting, submission, and approval process with DOT, municipalities, and entities nationwide

When you need an expert, call DWP! Rocco is available 24 hours a day, Monday through Saturday, to personally answer any questions that you might have. Call **(401) 473-5587**

### WHAT OUR PARTNERS SAY

Your feedback helps us to improve the experience for our customers.
