COME ON, MY SOUL

Rend Collective Experiment

```
        Emaj7
Come on, my soul;
     C♯m7          Amaj7
Come on, my soul.
     Emaj7
Let down the walls
     C♯m7          [Amaj7]  [Last x E]
And sing, my soul.  [Repeat]

        Emaj7                        C♯m7          Amaj7
Come on, come on, come on, come on, it's time to look up.
        Emaj7                        C♯m7      Amaj7
Come on, come on, come on, come on, it's time to look up.    [Repeat]
```
