Verse 1

I will not go quietly
I will not go silently
Into the night
Let praises rise
Though my doubts are taunting me
And my fears are deafening
Here in the night
Let praises rise

Pre-Chorus

From the valley of defeat
Oh, oh, oh, comes a cry of victory

Chorus

Defiant against the darkness
I will declare Your goodness
In the highs, in the lows
In the winter of my soul
Defiant until the breakthrough
Trusting the mountain will move
In the highs, in the lows
You will never let me go

Turnaround

| C // Dm/C | C // | Dm7 // Am | G // |

Verse 3

I will sing Your faithfulness
Louder than my brokenness
Into the night
Let praises rise
Cause You'll stand and fight for me
You are right beside me
Here in the night
Let praises rise

REPEAT PRE-CHORUS
REPEAT CHORUS
REPEAT TURNAROUND

Bridge

Nothing and no one can steal my joy
Nothing and no one can steal my joy
Nothing and no one can steal my joy
Nothing and no one can steal my joy

REPEAT CHORUS
