Verse 1:
```
      D                          A
My future hangs on this: You make preciousness from dust,
          G                 D  A
Please don't stop creating me.
         D                      A
Your blood offers the chance to rewind to innocence;
    G              D    A
Reborn, perfect as a child.
```

Chorus:
```
Bm7      G         D
Oh, Your cross, it changes everything,
Bm7      G      D          A
There my world begins again with You.
Bm7      G         D
Oh, Your cross, it's where my hope restarts,
   Bm7            G        D
A second chance is Heaven's heart.

```
       D                       A
When sin and ugliness collide with redemption's kiss,

Beauty awakens by romance.
       D                     A
Always, inside this mess, I have found forgiveness,

Mercy, as infinite as You.

Countless second chances we've been given at the cross,

Verse 3:
```
      D                         A
Fragments of brokenness salvaged by the art of grace,
      G             D    A
You craft life from our mistakes.
        D                     A
Black skies of my regrets outshone by this kindness;
      G            D    A
New life dawns over my soul.
