Rend Collective Experiment

Capo 1:

Verse 1:
C                               G           C
A mind full of questions,
G        Am                      G    Am
And a heart full of pain,
G                               G/B         C    G    C    G
Can't understand why we're here again.
C                                               G         C
But there's grace in this season,
G                         Am                      G    C
Not just to see us through,
G           G/B      C    G    C
But to renew us.

Chorus:
F        G
And You are love, Lord,
Am7

You are love, Lord,
Am7            C
Perfectly defined.

Verse 2:
A mind full of questions,
And a future unclear,
But Your perfect love scatters fear.
'Cause Your will is to build up,
And not to harm,
G           G7/B       C
But to complete us.

Mid section:
F                                    D7/F#
It's time to stretch these legs of faith
F                               D7/F#
And run into this unknown width,
F                        G         C     G    C    G    C    G    C
With truth of Your love for us.
