

## Hand Sizing Chart

Using a ruler, measure from the outside of your index finger to the outside of your pinky finger, across the palm, to determine your size from the chart below.

or

Simply print this page containing the sizing gauge at 100%.

Make sure the printer settings are not set to "fit to page".

Place your index finger next to the red lin, as shown, to get your glove size.

If you are between sizes, we recommend sizing up.
