EN Instructions For Use

IMPORTANT! KEEP FOR FUTURE REFERENCE

Please read these instructions carefully before using the sling for the first time!

WARNINGS

Constantly monitor your child and ensure the mouth and nose are unobstructed.

For pre-term, low birthweight babies and children with medical conditions, seek advice from a health professional before using this product.

Ensure your child's chin is not resting on its chest as its breathing may be restricted which could lead to suffocation.

To prevent hazards from falling ensure that your child is securely positioned in the sling.

Be aware of hazards in the domestic environment e.g. heat sources, spilling of hot drinks.

Only use the sling for one child.

The sling has been designed such that your child should always be looking in your direction.

Your balance may be adversely affected by your movement and that of your child.

Take care when bending or leaning forward or sideways.

This sling is not suitable for use during sporting activities e.g. running, cycling, swimming and skiing.

Please be aware of the increased risk of your child falling out of the sling as it becomes more active.

STORAGE AND CARE

Keep the baby carrier away from children when it is not in use.

Inspect the baby carrier regularly for any signs of wear and damage.

Please fasten all buckles before washing and during storage.

Before washing please remove sling from the rings and cover the rings with a sock.

Pull the sling through the rings, e. g. after washing
