STATE OF MIND

BEACH HEADS LLC

S. Ponte Vedra Beach, Florida

Hello from all of us at Beach Heads LLC!

We're Florida First Coast locals and have been Beach Heads all of our lives. We **love** the beach! Just thinking about being there brings us a sense of peace and relaxation. The beach just has this intangible power that makes us feel like everything in life is good.

We also **love** encouraging others to embrace a positive state of mind that leads to a healthy productive lifestyle.

Our brand, **Beach Head State of Mind**, brings these two **loves** together! Through branding, social media, and sales, we bring awareness to the power of our minds. We engage Beach Heads near and far to help us promote a positive state of mind through our common connection to those good vibes we all feel when we're at the beach!

It's why we chose our tagline...**"If you can't HEAD to the beach, let your HEAD take you!"** It's our way of saying when you need a break from the stress of everyday life, you're just one thought away!.

If you're looking to expand your product-line as well as make a difference in your community, here's why we'd be a good fit for you:

We get great reviews from Beach Heads of all ages on our beach inspired designs, comfortable clothing and accessories.

With a cause that touches many, we're doing what we can to help tackle the mental health and wellness challenges of today.

Beach Heads LLC is committed to donating at least 10% of our profits to organizations that help save lives. While we generally donate to three non-profits, we offer our retailers an option to choose a local charity in line with our vision. (See BHSOM Gives Back on our website to learn more about who we support.)

Not only will your customers look great, you'll feel great knowing every purchase helps save lives!!

See you at the Beach!

We hope you'll join us!

DESIGNS

All of our designs were inspired by the beauty and adventure found at the beach. Our graphic designers are local artists, Sarah Oates and Jason Huggins. Artist Alane Harris, a California Beach Head, created our hand drawn designs. These talented artists never run out of awesome ideas to express our love for the beach and our mission!

THE BEACH BRACELETS

If You Can't Head to the Beach, Take THE BEACH with You!

Our aromatherapy Beach Bracelets, with our rust resistant logo charms, are made of natural gem and lava stones. Each Bracelet comes with a canvas pouch and a 2ml bottle of *The Beach*, our fragrance and essential oil blend that smells just like the Beach! The oil is applied on the lava beads. **Just one drop and you'll enjoy that salty-air scent for days!**

This is a Beach Head favorite!

BCHB(XL)

Bracelets can be ordered in any quantity and will come in a variety of stones. (Men's sizes are available. Specify XL in the style code.) We change our stones regularly with each season or when we find a new stone we fall in love with! For that reason, we fill each order with a variety of our best sellers.
