SUPREME® BUTTER MERCHANDISER Model BSW-SS

Food Applications

- Theater, stadium and other amusement operations looking to dispense butter topping
- Create snack interest with merchandising graphics

Fast Facts

Quickly and safely heat butter topping with Server's NSF listed Supreme® Butter Merchandiser. The water-bath warmer with a temperature-sensing thermostat eliminates hot spots, reducing the amount of food wasted by scorching and burning.

A specially designed plug within the pump prevents butter topping from spraying when dispensed.

Precise portions keep food costs low – pump dispenses a max 1 oz portion, adjustable in 1/8 oz increments.

Includes 3 qt stainless steel jar (94009) pictured below.
