DURAFINISH OUTDOOR STAMPED STEEL BASES

- Specially coated to withstand outdoor conditions
- Constructed of stamped steel for unparalleled strength and stability
- Superior to cast iron in that stamped steel will not fracture under heavier weights
- Labor-saver column and spider
- Easy two-piece construction: column attaches to feet with metric bolt, lock washer and nut
- Spider attaches to tabletop with (8) 3/4" #10 screws
- Includes non-marring adjustable black levelers
- Standard height finishes at 30" with attached table top
- Bar height finishes at 42" with attached table top
- F.O.B. Monticello, Iowa
