STANDARD FEATURES

Model Features

- Black interior including shelves
- Stainless steel display deck
- Tempered glass ends
- Black powder coated base frame
- Moisture resistant end panel construction
- Choice of standard colors on lower millwork nanel
- Black trim
- Adjustable leg levelers
- Cord & plug, self-contained only
- Front air intake / front & rear discharge
- Energy saving night curtain
- Matches profile of the VRSS & VHSS models

Refrigeration

- R449a refrigerant
- Electronic temperature control maintains 38°-40°F (3.3°-4.4°C) Note: Case temperatures will vary if the air curtain is disrupted.
- Digital thermometer
- Clear coil on demand defrost
- Coated evaporator coil
- Universal breathe (Front air in with front or rear air out) (Rear air in and out optional)

Shelving

- Four tiers of adjustable black metal shelves with black price tag molding.
- Shelves can be flat or slanted down at 10°.

Lighting

• 3500K LED top light

Agency Approvals

- UL, C-UL and UL Sanitation listed to NSF-7, Type II conditions
- DOE 2017 compliant
