

Coffee Pot Cleaner

Coffee Pot Cleaner removes coffee, tea, and other tough stains, including burn marks from coffee pots, urns and other beverage serving equipment.

Coffee Pot Cleaner ensures that the beverage serving equipment will be clean and stain free for peak performance and taste.

DIRECTIONS

Read the entire label and SDS for proper use, handling and storage before using this product.

Use in well-ventilated areas on acid-safe surfaces. Wear appropriate PPE. Prolonged contact on surfaces may cause discoloration.

Put 2 oz. of Coffee Pot Cleaner into carafe with warm water and let soak for 30 seconds. Scrub inside of carafe. Dispose of the solution. Rinse with soap and water, then rinse thoroughly with water.

FAST FACTS

- Quickly removes coffee, tea, burn marks and other tough stains
- Liquid formula - leaves no powder residue
- Free rinsing, leaves no film or after taste
