MA CHÉRIE MON AMOUR

ABOUT

Ma chérie Mon amour représente une passion pour le design d'intérieur, offrant des objets lifestyles en vinyle qui allient esthétique moderne, fonctionnalité et originalité.

Créée par nous, Julie & Christian, couple franco-allemand passionné de design, notre marque fusionne esthétique contemporain et plaisir visuel. Inspirés par nos voyages, nos expériences et les tendances du design, nous apportons une originalité et une fraîcheur à la décoration d'intérieur, avec nos produits pour la maison en vinyle.

Nos différentes collections s'articulent autour de quatre piliers: la photographie, l'illustration, la calligraphie et notre imagination débordante. Ces thèmes se reflètent dans nos sets de table, dessous de verre et tapis, confectionnés avec un souci du détail et une créativité sans limite. Chaque pièce au design unique apporte une dimension esthétique et originale à votre intérieur, que ce soit pour embellir vos tables ou vos sols.

Nos produits qui sont adaptés aux espaces intérieurs et extérieurs, sont aussi esthétiques que fonctionnels. Cette polyvalence reflète notre engagement envers un design qui est à la fois beau et pratique.

Notre processus de conception et fabrication allemande assurent une qualité haut de gamme et made in Europe. Nos créations, mélangeant design moderne et aspects ludiques, offrent une nouvelle manière d'embellir la maison.

Ma chérie Mon amour invite à une redécouverte du design d'intérieur, où originalité, qualité et fonctionnalité se rencontrent pour créer des espaces uniques et expressifs.

“Le monde de la réalité a ses limites; le monde de l'imagination est sans frontière.”

Jean-Jacques Rousseau

Ma chérie Mon amour represents a passion for interior design, offering vinyl lifestyle objects that combine modern aesthetics, functionality, and originality.

Created by us, Julie & Christian, a Franco-German couple with a passion for design, our brand fuses contemporary aesthetics with visual pleasure. Inspired by our travels, experiences, and design trends, we bring originality and freshness to interior design with our vinyl home products.

Our various collections are built around four pillars: photography, illustration, calligraphy, and our overflowing imagination. These themes are reflected in our placemats, coasters, and rugs, crafted with unbounded creativity and attention to detail. Each uniquely designed piece adds an aesthetic and design dimension to your interior, whether to embellish your tables or your floors.

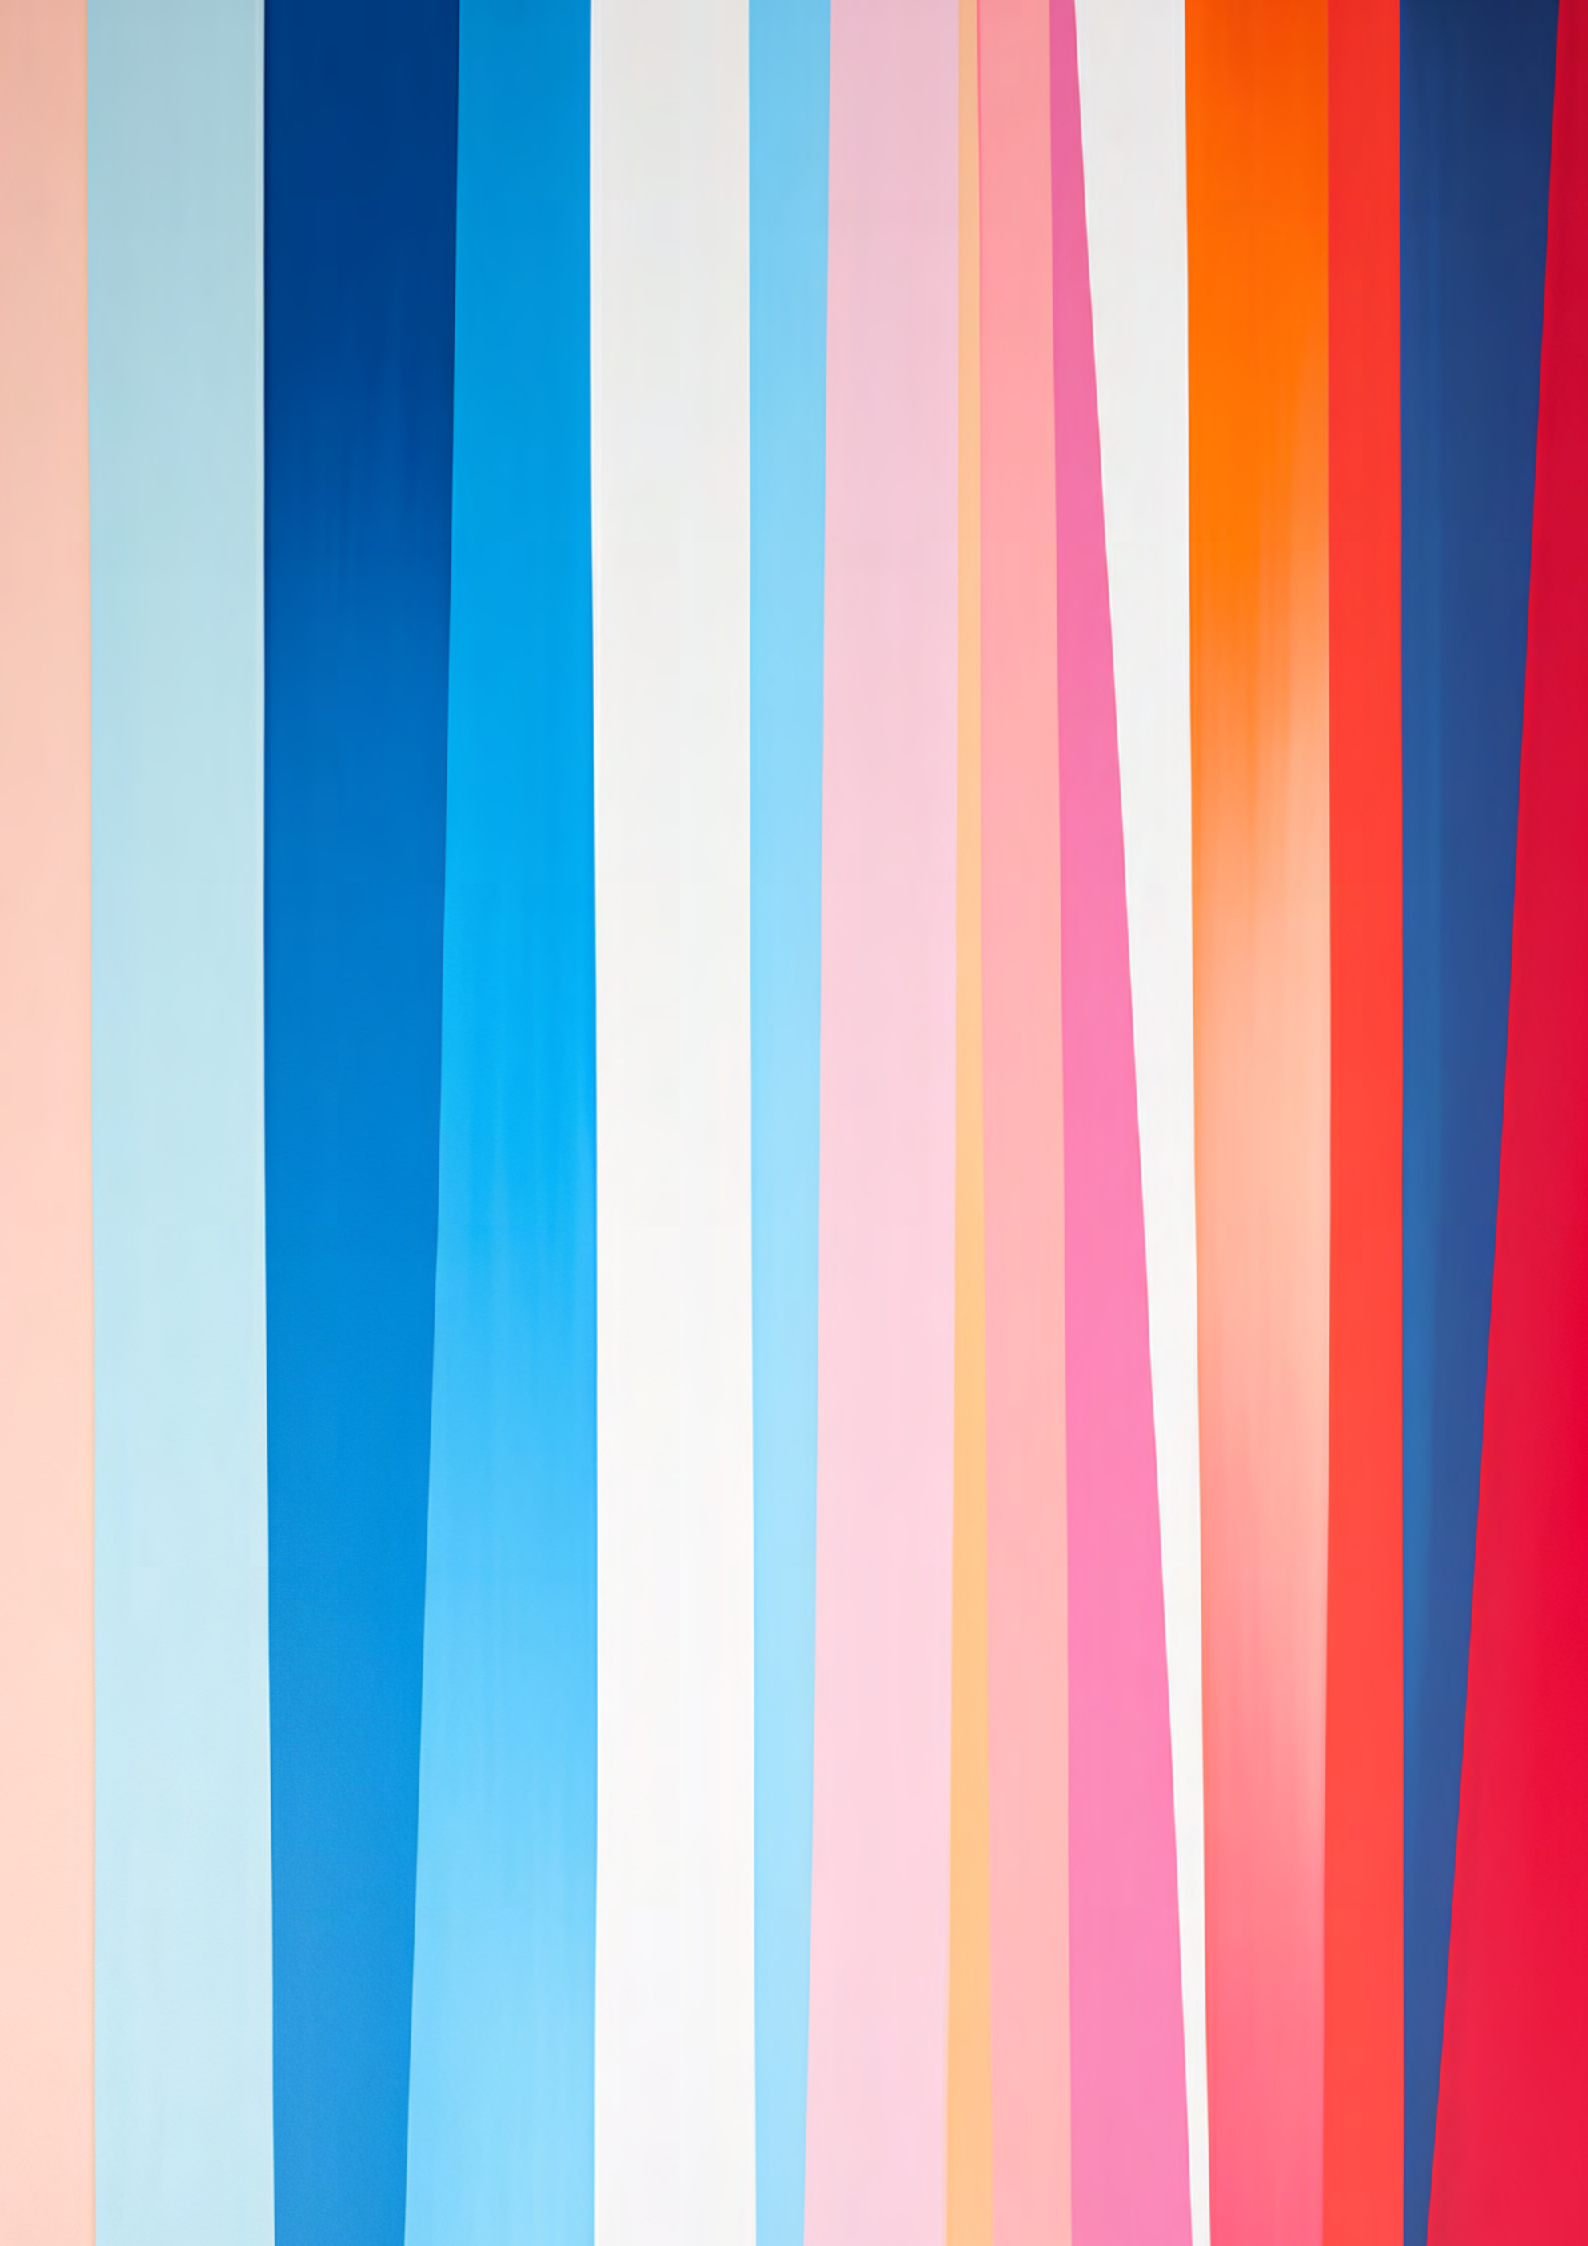

Suitable for both indoor and outdoor spaces, our products are as aesthetically pleasing as they are functional. This versatility reflects our commitment to design that is both beautiful and practical.

Our German design and manufacturing process ensures top-of-the-range, made-in-Europe quality. Our creations, blending modern design with playful aspects, offer a new way of embellishing the home.

Ma chérie Mon amour invites you to rediscover interior design, where originality, quality, and functionality meet to create unique, expressive spaces.

“The world of reality has its limits; the world of imagination knows no boundaries.”
