

# How to use Pitch Flashcards

## Making the Flashcards

1. Print on A4 copy paper
2. Fold along the line
3. Glue the sides together

## Using the Flashcards

1. Ask questions like:
  - a. Which clef is this note on?
  - b. Is note sitting on a line or in a space?
  - c. Which line or space is this note sitting on?
  - d. Is the stem up behind or down in front?
  - e. What is the lettername of this note?
2. Play games like:
  - a. Flashcards – quick naming of notes
  - b. Sorting games:
    - i. Sort flashcards into line notes or space notes
    - ii. Sort according to stem direction
    - iii. Sort according to clef
    - iv. Sorting according to ascending or descending pitch
  - c. Relation (Interval) games:
    - i. Find that note that is the same as this note
    - ii. Find the note that is one step (or a 2nd) higher than this note
    - iii. Find the note that is one skip (or a 3rd) lower than this note
  - d. Matching games: (some games may require 2 sets of flashcards)
    - i. Memory:
      - Mix the cards and turn them over, students will have use get a pair of the same flashcards.
    - ii. Pair up:
      - Teacher calls out a lettername, and students to find a card that matches.
      - Teacher describes a note by its clef, stem direction, position, and student to find the card that matches the description.
    - iii. Snap
    - iv. Make up your own matching games!!
