RECIPE E-BOOK

The Monty Cold Brew Affogato

COYO created this recipe with us last summer. This is a completely decadent affogato that makes a perfect dessert. You can substitute extra dark chocolate for chocolate brownie.

RECIPE (SERVES 4)

200ml Monty Organic Cold Brew

500g COYO Vanilla Bean & Nutmeg Coconut Ice Cream

Brownie

Maple Syrup

Nutmeg

1. Ready four frozen glasses.
2. Put two scoops of COYO Vanilla Bean & Nutmeg ice cream on top of the brownies.
3. Pour 50ml of Monty Organic Cold Brew into each of the glasses.
4. Garnish with grated nutmeg, brownie crumbs and maple syrup

The Monty Cold On ice

Cold Brew coffee is brewed using cold water resulting in a smoother tasting full bodied coffee experience with very little acidity. Exceptional flavour served neat over ice.

DRINK RECIPE

100ml Monty Organic Cold Brew Ice Cubes Filtered Water

DRINK EQUIPMENT

Short Glass
100ml Measure

1. Place ice cubes in glass.
2. Pour 100ml of Monty Organic Cold Brew into the glass.
3. Lengthen with water if desired.

The Monty Cold on milk

An absolute taste sensation and a classic. Invest in high quality local organic milk so the creamy sweetness of the milk accentuates the praline notes in the coffee.

DRINK RECIPE

100ml Monty Organic Cold Brew Ice Cubes
200ml Fresh Milk

DRINK EQUIPMENT

Short Glass
100ml Measure

1. Place ice cubes in glass.
2. Pour 100ml of Monty Organic Cold Brew into the glass.
3. Top with 200ml milk.

Cold Brew, Blood orange & tonic

This is a new take on a classic cocktail. The sweetness of the tonic, the bitterness of the cold brew and the acidity of the citrus combine to create an incredibly refreshing drink.

DRINK RECIPE

15ml Monty Organic Cold Brew
Tonic Water
Blood Orange
Ice

1. Fill a hi-ball glass with ice.
2. Fill the glass 3/4 full with tonic water.
3. Rub a wedge of blood orange around the rim of the glass.
4. Pour 15ml of cold brew gently on top of the tonic. It will form its own band within the glass.
5. Garnish with a citrus wedge.

Cold Brew Mint Julep

Press a mint leaf into the bottom of the glass with a wooden spoon before mixing in the other ingredients. Be careful not to break the mint leaves or the chlorophyll may cause your drink to be on the bitter side.

DRINK RECIPE

60ml Monty Organic Cold Brew

220ml Soda Water

20ml Simple Syrup

Mint Leaves

Citrus Wedge

Ice

1. Press a mint leaf into the bottom of the glass.
2. Mix the cold brew and simple syrup in the glass then add soda water to taste.
3. Fill the glass with ice.
4. Garnish with a citrus wedge.
