

ALBURY

ORGANIC VINEYARD

Covid-19

Last updated on 24th March 2020 at 10am

Dear Customers,

Thank you to everyone supporting us and other small businesses during this challenging time. We hope that you are keeping well, healthy and safe. Please be assured that we are monitoring the government guidance closely and will, of course, follow all recommendations.

Due to advice issues by the government on 23rd March that we should all stay at home, the vineyard, visitors' barn and shop are now closed until further notice. You can still order wine online for home delivery, but will be unable to collect your order from the vineyard. We aim for all deliveries to be made within 3-5 working days.

Information regarding home deliveries

Orders over £50 qualify for FREE delivery (use the discount code FREEDELIVERY when checking out), other deliveries will be charged at £8.95.

Please be assured that we are taking extra precautions when processing your order. Staff will wear gloves whilst packing and delivering wine. The vineyard storage and packing areas are being sanitised regularly, and only one member of staff will be present at any time. Most deliveries will be made by our courier APC who are also following all precautions and government guidelines. We and APC will be making 'no contact' deliveries so please remember to tell us where to leave your order. You can do this in the 'add a note' section at the checkout.

If you have any questions about ordering wine from us, please do get in contact by calling 01483 229159 – we are not always around to answer the phone but please leave a message and we will call you back or email us via info@alburyvineyard.com.

With best wishes from Nick and the Albury Team
