KUKUIæ[®] is a natural expeller pressed oil by Oils of Aloha®. Kukui Oil has been used in Hawaii for centuries to effectively protect, heal and nourish skin that has been exposed to the elements — harsh sun, drying winds and salt water. Enhanced with Vitamin E. This oil quickly penetrates and moisturizes, leaving your skin silky smooth.

Since 1988, Oils of Aloha® has produced quality kukui oil in its purest form for a variety of products. Utilizing a highly refined extraction process, our oils are expeller pressed — no chemical solvents. Oils of Aloha offers a simple, convenient way to reap the many natural benefits of Hawaii's native oils.
