

SISTER'S RUN

"The truth is in the vineyard but the proof is in the glass."

ELENA BROOKS, WINEMAKER

2021 St Ann's McLaren Vale Grenache

About Us:

Sister's Run is serious fun. Our talented young winemaker Elena wears steel cap work boots every day of course, but carries a pair of high heels in back of the ute, only for emergencies, like last minute invitations to accept trophies at gala wine show dinners and the like.

Returning from a 'knees-up' at midnight, mid vintage, she managed to kick off one high heel and slip back into a boot' just as the cellar crew cried out, 'Run Sister Run'; and exactly then our winemaker and label took flight!

The stiletto and boot are Sister's Run; an independently owned and operated winery with a fierce commitment to making the best wines we can from family vineyards.

We hope you enjoy this wine as much as we did making it. Cheers from all at Sister's Run... Barbara, Berenice, Daria, Elena, Geri, Helen, Jessica, Margie, Stefka, Yordanka, Sunny and Honorary Sisters: Ant, Encho, Jackson, Todor & Zar.

Colour:

Mild purple-velvet. A colour that might suit a young person's bowtie.

Nose:

Mulberry and blackberry preserve; classic grenache aromatics of boiled lollies and berried confectionery. Spice, also; aniseed, lemon thyme.... Lifting and light and attractive.

Entry:

The palate tingles with more mulberry, plum and blackberry fruits which are both mouth-filling and quick-silvered.

Middle Palate:

The hint of fruit depth, yet an overall medium-bodied tone and texture..

After Palate:

Speaking of which: gentle tannins and quietly spoken acidity.

Finish:

Youthful austerity you would expect from McLaren Vale Grenache but fine and flavoursome keeping with the sensations registered by the nose.

In Summary:

Your family butcher's freshest sausage, but not tortured on the barbecue. A wood-fired oven, a baked sausage at low heat. Mustard, relish, a green salad. Some cous-cous. A simple bottle of delicious red wine wants foodstuffs of delicious simplicity. Quod erat demonstrandum, or QED.
