

SELKIE

Ghost

To connect to a single device, follow steps 1–4.

To connect to multiple devices, see the back of this guide.

1

Charge.

Ghost charges while on the USB charger.

NOTE: Max 5V for charge

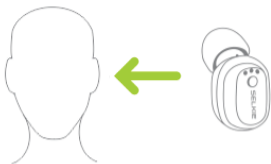

2

Connect Ghost.

Press button for 5 secs until light blinks blue repeatedly.

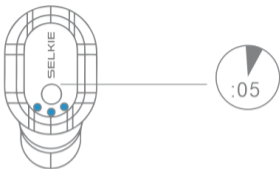

Then turn on Bluetooth settings and select Selkie – Ghost.

3

Start Listening.

Place in ear and adjust until comfortable. Ghost is now ready to play.

4

Power Off.

Press button for 5 secs until
light blinks blue once.

Connect to Two Devices.

Connect with first device by following step 2. Then connect to second device by repeating step 2.

Fully Charged
(No Light)

Not Fully Charged
(Blinking Blue)

Check Charge Status.

Light indicates charge status of Ghost when it is on the charger.
