

Gemini Crystal Guide

Gemini's are known to be quick witted and ready for fun. You love to be constantly experiencing new things, but this can get you in trouble as you are so inquisitive, you don't always stay long enough to reveal peoples thoughts and feelings and can appear distant

1. **Clear Quartz** - harmonises the chakras bringing about a great level of balance. It also can be used to amplify energy
2. **Blue Howlite** - used as it is great at teaching patience and helps you achieve your full ambitions
3. **Dendritic Agate** - brings abundance and fullness to all areas of your life. It also provides a sense of stability which embraces your strengths of being an adventurer and also overcomes your weaknesses, enabling you to stay on task
4. **Red Tigers Eye** - enhances the strength of conviction, convenience, safety, courage, self-esteem and confidence in ones own power
5. **Pink Banded Agate** - promotes love which will help you increase your passion for life and also enhance your relationships with other people
