

# Libra Crystal Guide

People born under the star sign Libra are often co-operative, logical, diplomatic, gracious, fair-minded and social but can be indecisive

- 1. Ametrine** - has the perfect healing energy for Libran's and works with your natural logic and encourages direction
- 2. Moonstone** - enables you to experience heart felt joy by using strong frequencies in your auric field, and works to bring a sense of empowerment for people born under the Libran star sign.
- 3. Malachite** - a radiant stone that helps you ignite the energy of supreme love and forgiveness
- 4. Lepidolite** - helps with the stress and nervousness surrounding decision making as it is known to be calming and provides comfort
- 5. Bloodstone** - helps combat a natural indecisive nature and reduces confusion. It also lends itself to radiating harmony and peace, enhancing graciousness

Libra

23 Sept - 22 Oct
