

Scorpio Crystal Guide

Scorpios are known to be resourceful, brave, passionate, stubborn and for people associated with them, they are a true and trusted friend, however they can be suspicious and wary of others

- 1. Clear Quartz** - harmonises the chakras, heals and also amplifies energy so you will have the best health and energy to ensure your resourcefulness is maximised to it's full potential
- 2. Black Obsidian** - perfect for grounding and as Scorpio's are known for their emotions, can be a great way of releasing negative of excess energy
- 3. Smokey Quartz** - helps you release any feelings of stubbornness or secretivity allowing your expressions to come through
- 4. Yellow Jasper** - known to particularly benefit Scorpio's as it is known as a strong protection gemstone, particularly for friendship
- 5. Labradorite** - strengthens your intuition and can help protect your aura, perfect for those situation where you are feeling wary and need to trust your instincts
