

# **FRAMINGHAM**

# Marlborough Sauvignon Blanc 2020

Framingham Marlborough Sauvignon Blanc is designed to be typically Marlborough in style, with a few twists. We like to focus heavily on the texture of the wine, giving it some richness and mouthfeel so that it is not lean or austere. Consequently, it pairs easily with food on the table, but can also be satisfying drinking when food is not involved.

# **WINE MAKING**

Each parcel of fruit is kept separate in the winery. Juices were predominately fermented in stainless steel using several different treatments, however 18% of the final wine was fermented in oak and acacia containers. A small (5%) component was fermented on skins. A portion of the blend was aged on full ferment lees for 6 months, the remainder on light lees.

### **TASTE**

Smoky aromatics, with flint, bitter lemon citrus, grapefruit, and suggestions of tropical fruit salad. Rich, fleshy palate with good mouthfeel, texture, and power. Flavours of grapefruit, stone fruit and sweet herbs and pesto.

# **FOOD MATCH**

All kinds of seafoods, salads.

# **SOURCE**

### **REGION**

Wairau Valley, Marlborough

### **SUB REGION**

Lower Wairau, Rapaura, Blenheim, North Bank, Conders Bend

## **VINEYARDS**

Eight sites, all of which bring something different.
