LONSDALE AUTOMATIC

OWNER'S HANDBOOK

WELCOME TO OUR JOURNEY...

Thank you for purchasing your Melbourne Watch Company timepiece.

Since our establishment in 2013, we have strived to create timepieces of the highest quality that you as an owner can be proud of wearing.

Each MWC timepiece represents a new stage in our journey as a brand as we continue to grow – A journey that we are glad to have you on board for.

LONSDALE AUTOMATIC

The Lonsdale collection is designed to be a simple, yet elegant piece that can be used for casual, everyday wear.

Powered by the reliable Seiko Cal. NH35 automatic movement, the Lonsdale Automatic features a beautiful sunray dial framed by a 'vinyl' texture and luminous stainless steel markers.

TECHNICAL SPECIFICATIONS

Case Material:	316L Stainless Steel
Case Diameter:	42mm
Case Thickness:	12mm
Lug Width:	22mm
Movement:	Seiko NH35 (Japan)
Power Reserve	40 Hours
Complications:	12-Hour Time, Date
Crystal:	Flat Sapphire
Water Resistance:	50m/5ATM
Strap:	22mm

OPERATING INSTRUCTIONS

Your Lonsdale Automatic timepiece is fitted with the Seiko Cal. NH35 movement with the date at 3 o'clock. The crown may be placed in 3 positions as per the image below.

Please Note - The Lonsdale features a 'screw down' crown. The crown must be unscrewed in order to change position. When screwing the crown back in, apply lateral pressure towards the case to engage the thread. The crown must be fully screwed in for water resistance to be effective.

- A. Fully pushed in - when in this position, the crown can be rotated clockwise to manually wind the movement.
- B. Partially pulled out - This position allows for the date to be changed via quick-set when the crown is rotated counter-clockwise.
- C. Fully pulled out - This position allows for the time to be set through both clockwise and counter-clockwise rotation of the crown.

WARRANTY & SUPPORT

Your 2 year warranty covers material production defects concerning the watch, strap and movement. It does not cover damage caused through misuse/physical force, or normal wear and tear.

If you have an issue with your timepiece, please ensure you contact our customer service team prior to attempting any course of repair on your own, as doing so will render your warranty void.

To lodge a support request, please email your details along with a description of the issue to support@melbournewatch.com.au

This will create a support ticket within our helpdesk system and you will receive an automated email confirming receipt of your request, along with a case number which you can refer to during further correspondence.
