

NEXSTAND EU

K2

COMPACT, FOLDABLE AND HEIGHT ADJUSTABLE LAPTOP STAND

INSTANTLY CHANGES YOUR LAPTOP INTO AN ERGONOMIC DESKTOP WORKSTATION, ANYWHERE.

★ IDEAL FOR IN-HOUSE AND REMOTE WORK

The NEXSTAND K2 is the most highly adjustable and portable laptop stand on the market. It's ideal for coworkers, distributed teams and organisations that are already agile or transitioning to an agile setup. Quick and easy to set up, foldaway, adjustable and sturdy.

★ ERGONOMIC, FOLDABLE AND ADJUSTABLE

8 different height adjustments options, elevating your laptop screen from 14cm to 32cm off the desk to eye-level.

★ QUICK AND EASY TO USE

Intuitive design makes the stand simple to operate. One easy & quick action opens and closes the stand.

★ HIGH STRENGTH & WEIGHT CAPACITY

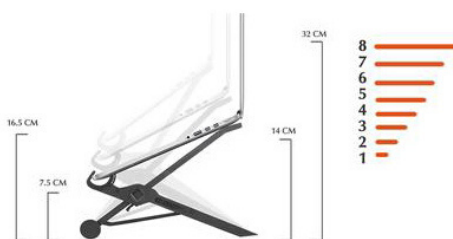

It can support up to 9kg (up to 6 times the weight of a traditional laptop or Macbook). The rubber feet and laptop grips prevent your laptop from wobbling and minimise vibration.

★ UNIVERSAL COMPATIBILITY

Supports all mainstream laptop models 10 inches or larger and with a front edge less than 2.2cm.

★ COOLING DESIGN

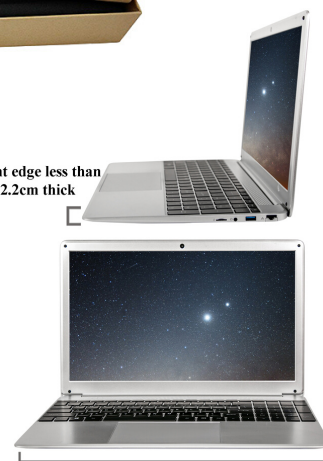

Prevents laptops from overheating allowing 360 ventilation and airflow.

8 Height Adjustment Options

Elevates laptop screen 5.5" to 12.6" above tabletop

Front edge less than 2.2cm thick

Laptop width greater than 27.5cm

SILK-SCREEN PRINTING SERVICES OFFERED FOR YOUR CUSTOMISED LOGO ON THE STAND.
