AngryCart Storage Pushcart for Angry Bull Barricades

The Angry Bull Barricade Storage Pushcart is designed to store and dramatically speed up the installation of our 8.5 Ft. Angry Bull steel barricades. Each powder-coated steel push cart can hold up to a maximum 30 of our 8.5 or 7.5 Ft. Galvanized steel barricades (Up to 15 with barricade feet attached to the frames). This cart is manufactured using high-quality powder-coated steel and the cart can be used indoors or outdoors.

- Speeds up installation and breakdown times.
- Maximizes the facility's storage space.
- 119 lbs
- Four 6" casters with Fixed Wheels
- Assembly required.
- Cart Dimensions: 77.5" Long (with push handle horizontal) x 74" Wide (assuming arms are fully extended) x 54.75" Tall
