

Advantage

Designed for Long-Term Use

Dispensers and stands made of powder-coated steel are both attractive and functional, providing years of service.

Major Benefits

Durable

Our powder-coated steel dispensers and stands provide long-lasting products that hold up well in tough environments.

Cleaning

The powder-coated finish resists common chemicals and cleaning agents and can be easily wiped clean with soap and water. Standard hospital cleaning supplies are approved for use on our powder-coated products.

Strength

Powder-coated steel is ideal for dispensers used in a healthcare or an industrial setting. It is impact resistant and is not effected by extremes in temperature.

Appearance

The clean, bright appearance of quartz beige powder-coated steel looks attractive and provides a professional image in all environments.
