## Cast Iron Base Stanchion

The cast iron base of this stanchion features full-circumference rubber floor protectors, ensuring surfaces are safeguarded from damage.

### Complete Features List

#### Highly Visible safety protection

Can be used in outdoor settings for purposes such as facility maintenance and construction

#### 4-Way Receptacle

3 receptacle splines are featured on the cassette and can receive up to 3 additional belts from stanchions

#### Belt Lock

Unique locking mechanism provides the ability to lock retractable belts to make sure they stay in place in those key crowd control situations

#### Multiple Belt Lengths

Belt comes in a variety of lengths from 7.5 ft to 11 ft - you choose the best length to fit your needs.

#### Solid Construction

The cast iron base made from high-quality cast iron, ensuring unwavering stability and resilience

#### Stable Base

The broad, weighted base ensures exceptional stability, reducing the risk of accidental tip-overs, even in high-traffic areas.

#### Easy Assembly

With its straightforward assembly and disassembly, you can quickly adapt to changing needs and configurations.

#### Slow Belt Brake Technology

Built in braking system allows belt to safely retract into the case upon release from the belt end.
