MSRLine 760

Rubber Base Safety Stanchion

Rubber base safety stanchion for outdoor hazard areas at facilities or construction zones. Belt length is up to 35 ft.

Complete Features List

Highly Visible safety protection

Typically used in outdoor settings for purposes such as facility maintenance and construction

4-Way Receptacle

3 receptacle splines are featured on the cassette and can receive up to 3 additional belts from stanchions

Belt Lock

Unique locking mechanism provides the ability to lock retractable belts to make sure they stay in place in those key crowd control situations

Extra Long Belt

Belt comes in durable design and an extra long retractable safety belt that stretches up to 35 feet

Heavy-Duty Rubber Base

Base is extremely durable and prevents the stanchion from being knocked over on most uneven, outdoor surfaces

Weather Resistant

Stanchion can be used and stored outdoors under harsh weather conditions

100% Recyclable Materials

Our rubber bases are designed to keep you and the planet safe

Slow Belt Brake Technology

Built in braking system allows belt to safely retract into the case upon release from the belt end.
