MSRLine 630

Rubber Base Safety Stanchion

Rubber base safety stanchion for outdoor hazard areas at facilities or construction zones. Belt length options ranging from 7.5 to 11 ft

Complete Features List

Highly Visible safety protection

Typically used in outdoor settings for purposes such as facility maintenance and construction.

4-Way Receptacle

3 receptacle splines are featured on the cassette and can receive up to 3 additional belts from other stanchions.

Hi-Viz Safety Yellow

Bright yellow stanchion post provides top notch visual guidance for added awareness and safety.

Multiple Belt Lengths

Belt comes in a variety of lengths from 7.5ft to 11ft – you choose the best length to fit your needs.

Heavy-Duty Rubber Base

Base is extremely durable and prevents the stanchion from being knocked over on most uneven, outdoor surfaces.

Weather Resistant

Stanchion can be used and stored outdoors under harsh weather conditions.

100% Recyclable Materials

Our rubber bases are designed to keep you and the planet safe.

Slow Belt Brake Technology

Built in braking system allows belt to safely retract into the case upon release from the belt end.
