## Rubber Base Safety Stanchion

Rubber base safety stanchion for outdoor hazard areas at facilities or construction zones. Belt lengths range from 14 to 16 ft.

### Complete Features List

#### Highly Visible safety protection

Typically used in outdoor settings for purposes such as facility maintenance and construction

#### 4-Way Receptacle

3 receptacle splines are featured on the cassette and can receive up to 3 additional belts from stanchions

#### Belt Lock

Unique locking mechanism provides the ability to lock retractable belts to make sure they stay in place in those key crowd control situations

#### Multiple Belt Lengths

Belt comes in a variety of lengths from 14 ft to 16 ft - you choose the best length to fit your needs.

#### Heavy-Duty Rubber Base

Base is extremely durable and prevents the stanchion from being knocked over on most uneven, outdoor surfaces

#### Weather Resistant

Stanchion can be used and stored outdoors under harsh weather conditions

#### 100% Recyclable Materials

Our rubber bases are designed to keep you and the planet safe

#### Slow Belt Brake Technology

Built in braking system allows belt to safely retract into the case upon release from the belt end.
