Low Profile Base Stanchion

Low Profile Base is designed to enhance both the aesthetics and functionality of your space while minimizing the risk of accidents.

Complete Features List

Highly Visible safety protection

Can be used in outdoor settings for purposes such as facility maintenance and construction

4-Way Receptacle

3 receptacle splines are featured on the cassette and can receive up to 3 additional belts from stanchions

Belt Lock

Unique locking mechanism provides the ability to lock retractable belts to make sure they stay in place in those key crowd control situations

Multiple Belt Lengths

Belt comes in a variety of lengths from 14 ft to 16 ft - you choose the best length to fit your needs.

Durable and Built to Last

Crafted from high-quality materials, it is built to be durable and long-lasting. It's resistant to wear and tear, making it a long-term investment in both safety and style

Unmatched Stability

This stumble-proof low profile base is engineered with precision to provide unparalleled stability

Sleek and Modern Aesthetics

Designed with clean lines, a sleek finish, and a minimalist aesthetic that complements any style and usage

Slow Belt Brake Technology

Built in braking system allows belt to safely retract into the case upon release from the belt end.
