

The following is a real report, generated for an author who published a book relating to Buddhism. Each report is custom researched specifically for your book.

How to use this data:

- Look up each group/page to Like or Follow so you can post/tweet to members and attract them to Follow/Like you back.
- Participate in comment threads. Become part of each community with authentic engagement while including the link to book page in everything you do.
- Network with page/group hosts to request reviews and mentions, in exchange for a free digital copy and mention on your own page.
- Find relevant material on these pages to share on your own for barter promotions and aggregated content.
- Follow influencer followers (Twitter) so they are aware you exist and see you have written a book on a topic they are interested in.
- Use #hashtags and influencer @handles to increase visibility and foster accidental discovery.

Recommended Hashtags: pastlives, priorlife, buddhist, sikh, hindu, reincarnation, meditation, soul, afterlife, orbs, spirit, beyond, crossover, angels, spiritguide, manylives, family, ancestry, generations, medium.
