SPRING | SUMMER 2020

SPRING SUMMER 2020.

COLLECT is a contemporary lifestyle brand which resides in the intersection where millennials embrace genzies.

The Spring Summer 2020 collection is a homage to those 2 generations. Where the NON PLAN PLANNERS meet the ACTIVISTS. They are all REBELS in their own ways. They are ICONS, LOVERS, DREAMERS and together they fight for equality in all fronts, They are HE SHE THEY.

COLLECT also introduces a new seasonal print, for our COLLECTERS. The MONSTERA print illustrates the warmth and beauty of the new season to come.
