# Route to School memory challenge

It's been a while since you went to school.  
Do you walk, scoot, catch a bus or drive there?  
Can you try to **draw a map** from home to school.  
Maybe you and your family could follow your route.  
Does it take you to school? Did you remember everything?

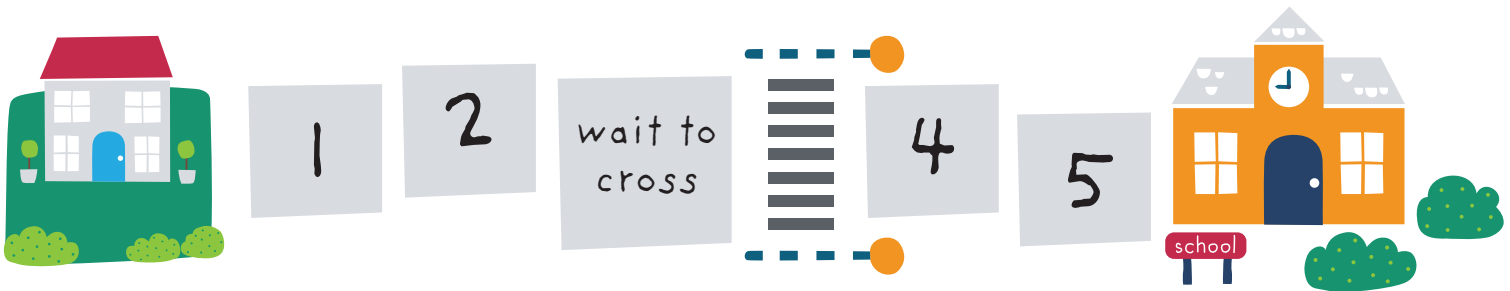

## 2 Route to School map challenge

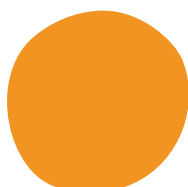

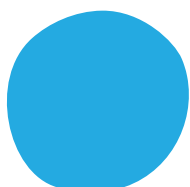

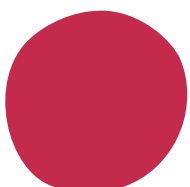

How did you do? Re-draw your map with anything you missed. Use a big sheet and you can add some landmarks from the next sheet or draw and colour your own.

## 3 Route to School game design challenge

Design a board game using your route to school. Players can race to get there before the bell rings! Perhaps you could add a 'wait to cross' square to miss a go or a 'forgot your lunch' to send a player back home! Don't forget to write the rules on the page provided and have fun playing! Go to p.4 for cut and stick elements.
