

Daddy I love
you because...

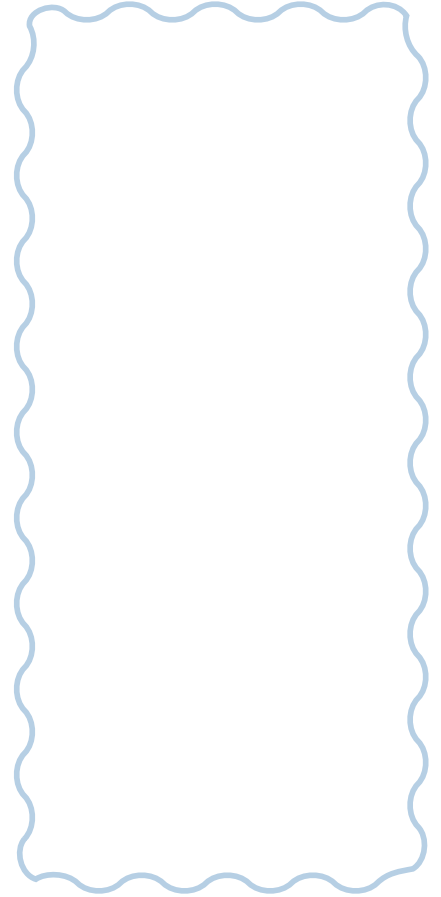

My Daddy...

What does Daddy do for fun?

How tall is
Daddy?

10 metres tall?
As tall as a house?

If Daddy was an animal,
what would he be?

What does Daddy
wish for?

A giant
chocolate
bar?

A pet
dragon?

To be able
to fly?

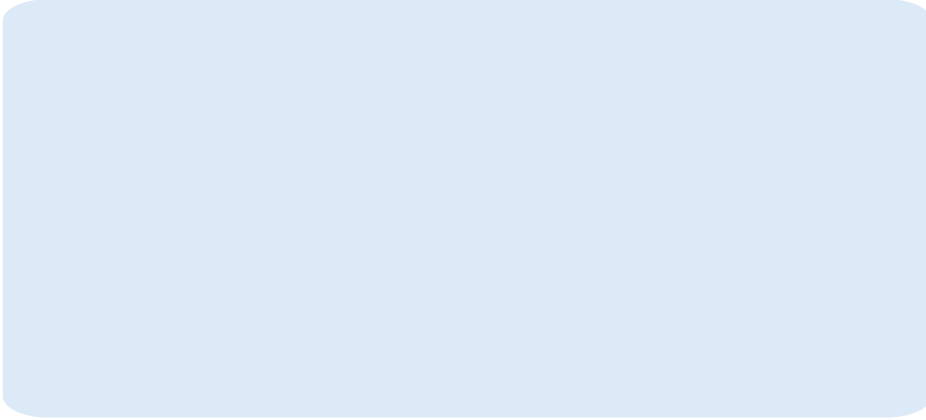

What do you like
best about Daddy?

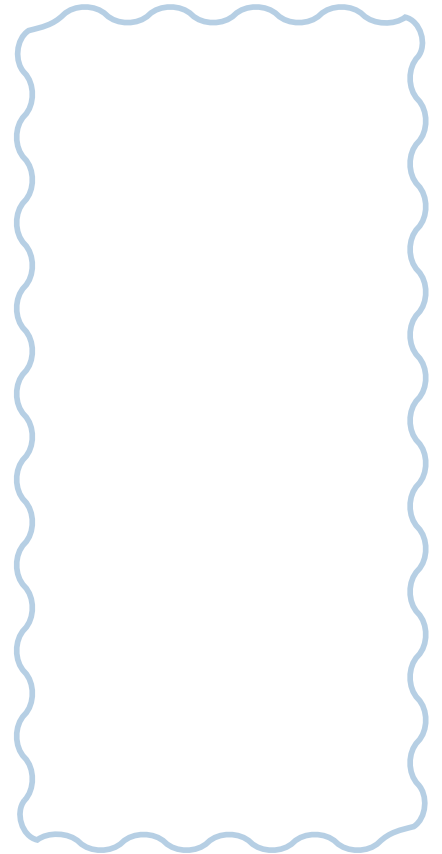

My Daddy...

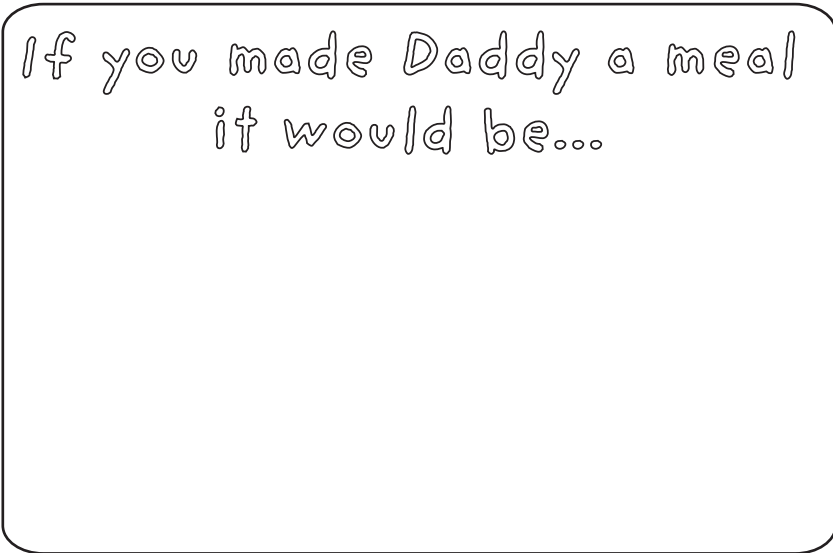

What is Daddy best at?

I think
Daddy is...

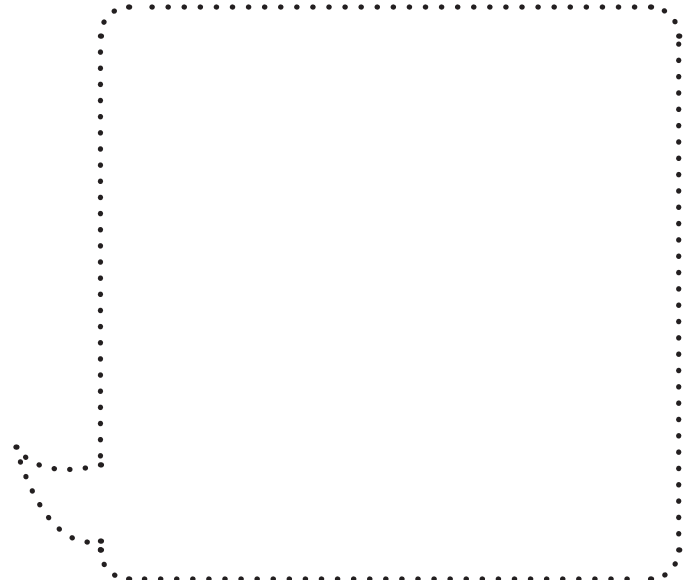

If you made Daddy a meal
it would be...

If Daddy was King
he would say...

Daddy's super power is:

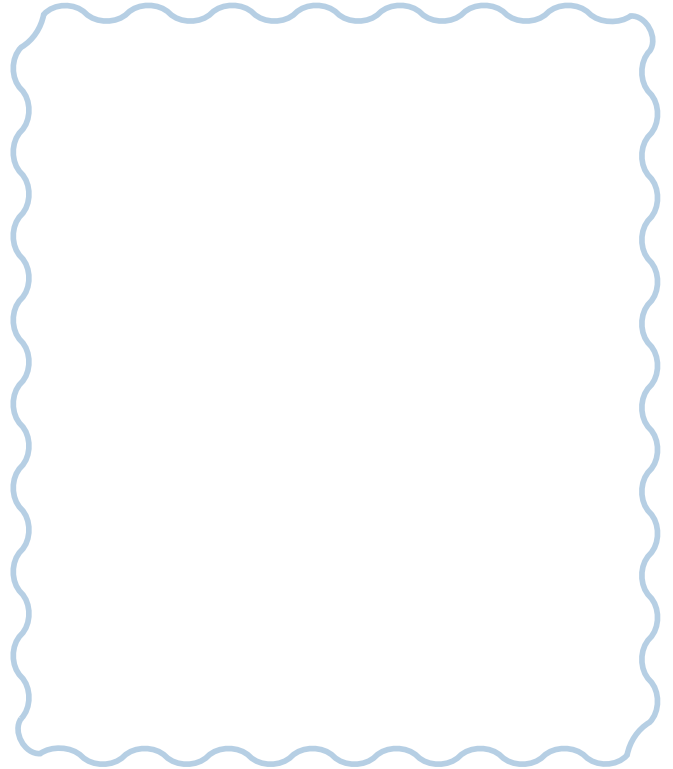

My Daddy...

If you could dress Daddy,
what would he wear?

A cape? A hat? A chicken costume?

Your perfect
day with Daddy
would be...

You'd style Daddy's
hair like this

Daddy, I want to say...

Daddy's Bookmark

You could use this one to practice on, to keep for yourself or for an easy pre-coloured DIY

Get an adult to cut a line half way round the bottom of Mr Bear's paw with a scalpel to let him peep over Daddy's book pages. If you can't, he can be tucked in instead.

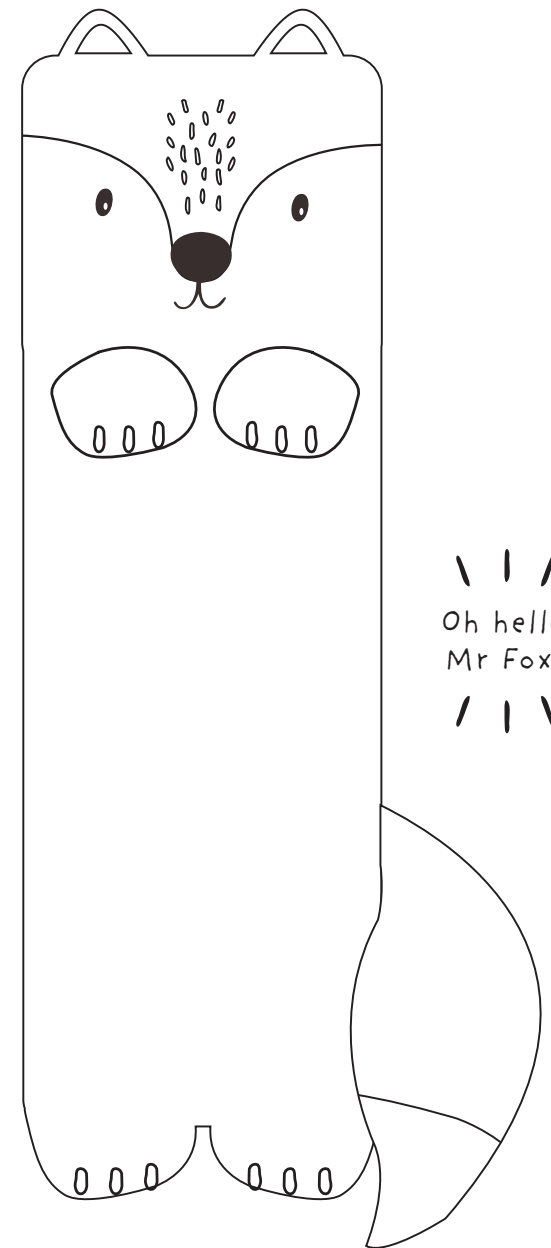

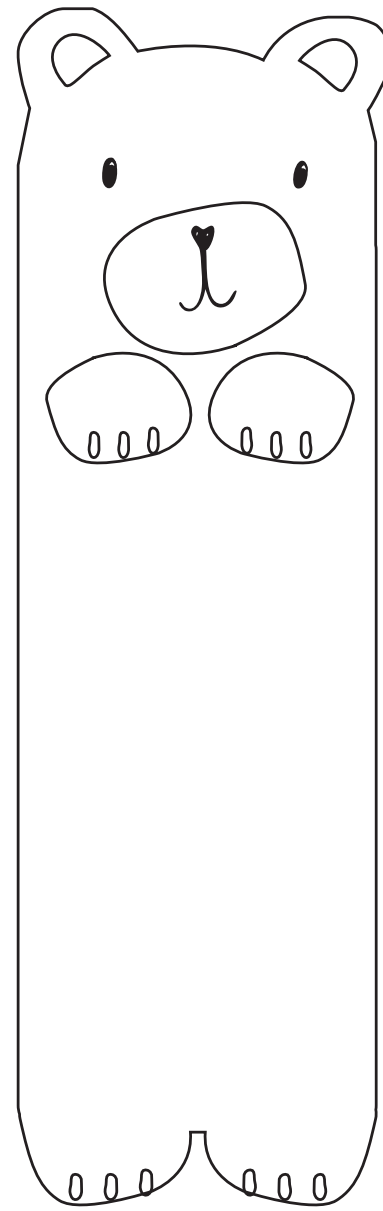

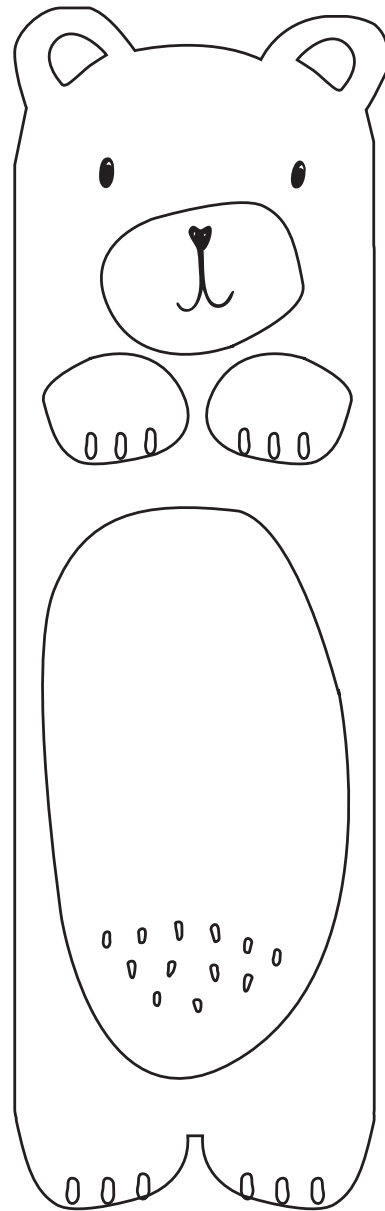

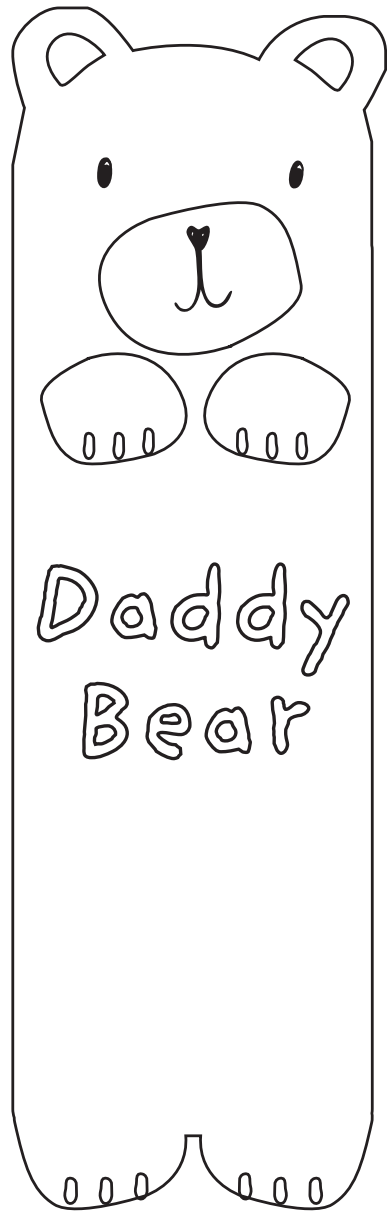

Back the bookmark onto card to make it strong enough to stand up straight

More options this way...

Here's some Mr Bear bookmark templates to colour in yourself.
Oh look! He has a friend...
