

# Spring story dice set

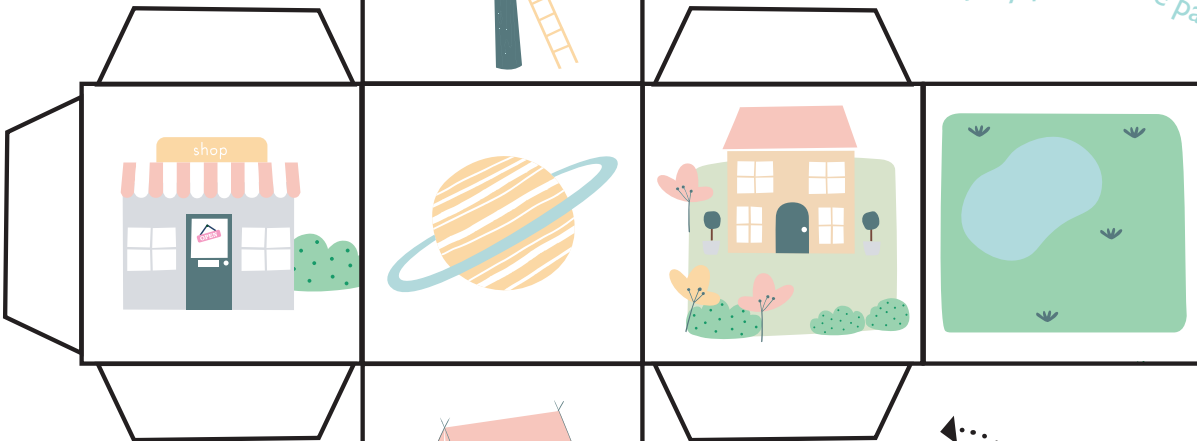

Who will the story be about? What is their name?

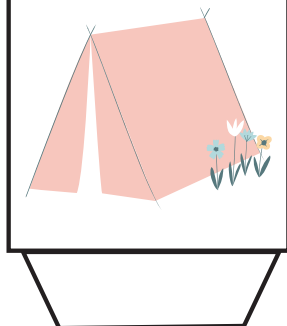

Up the ladder they went...

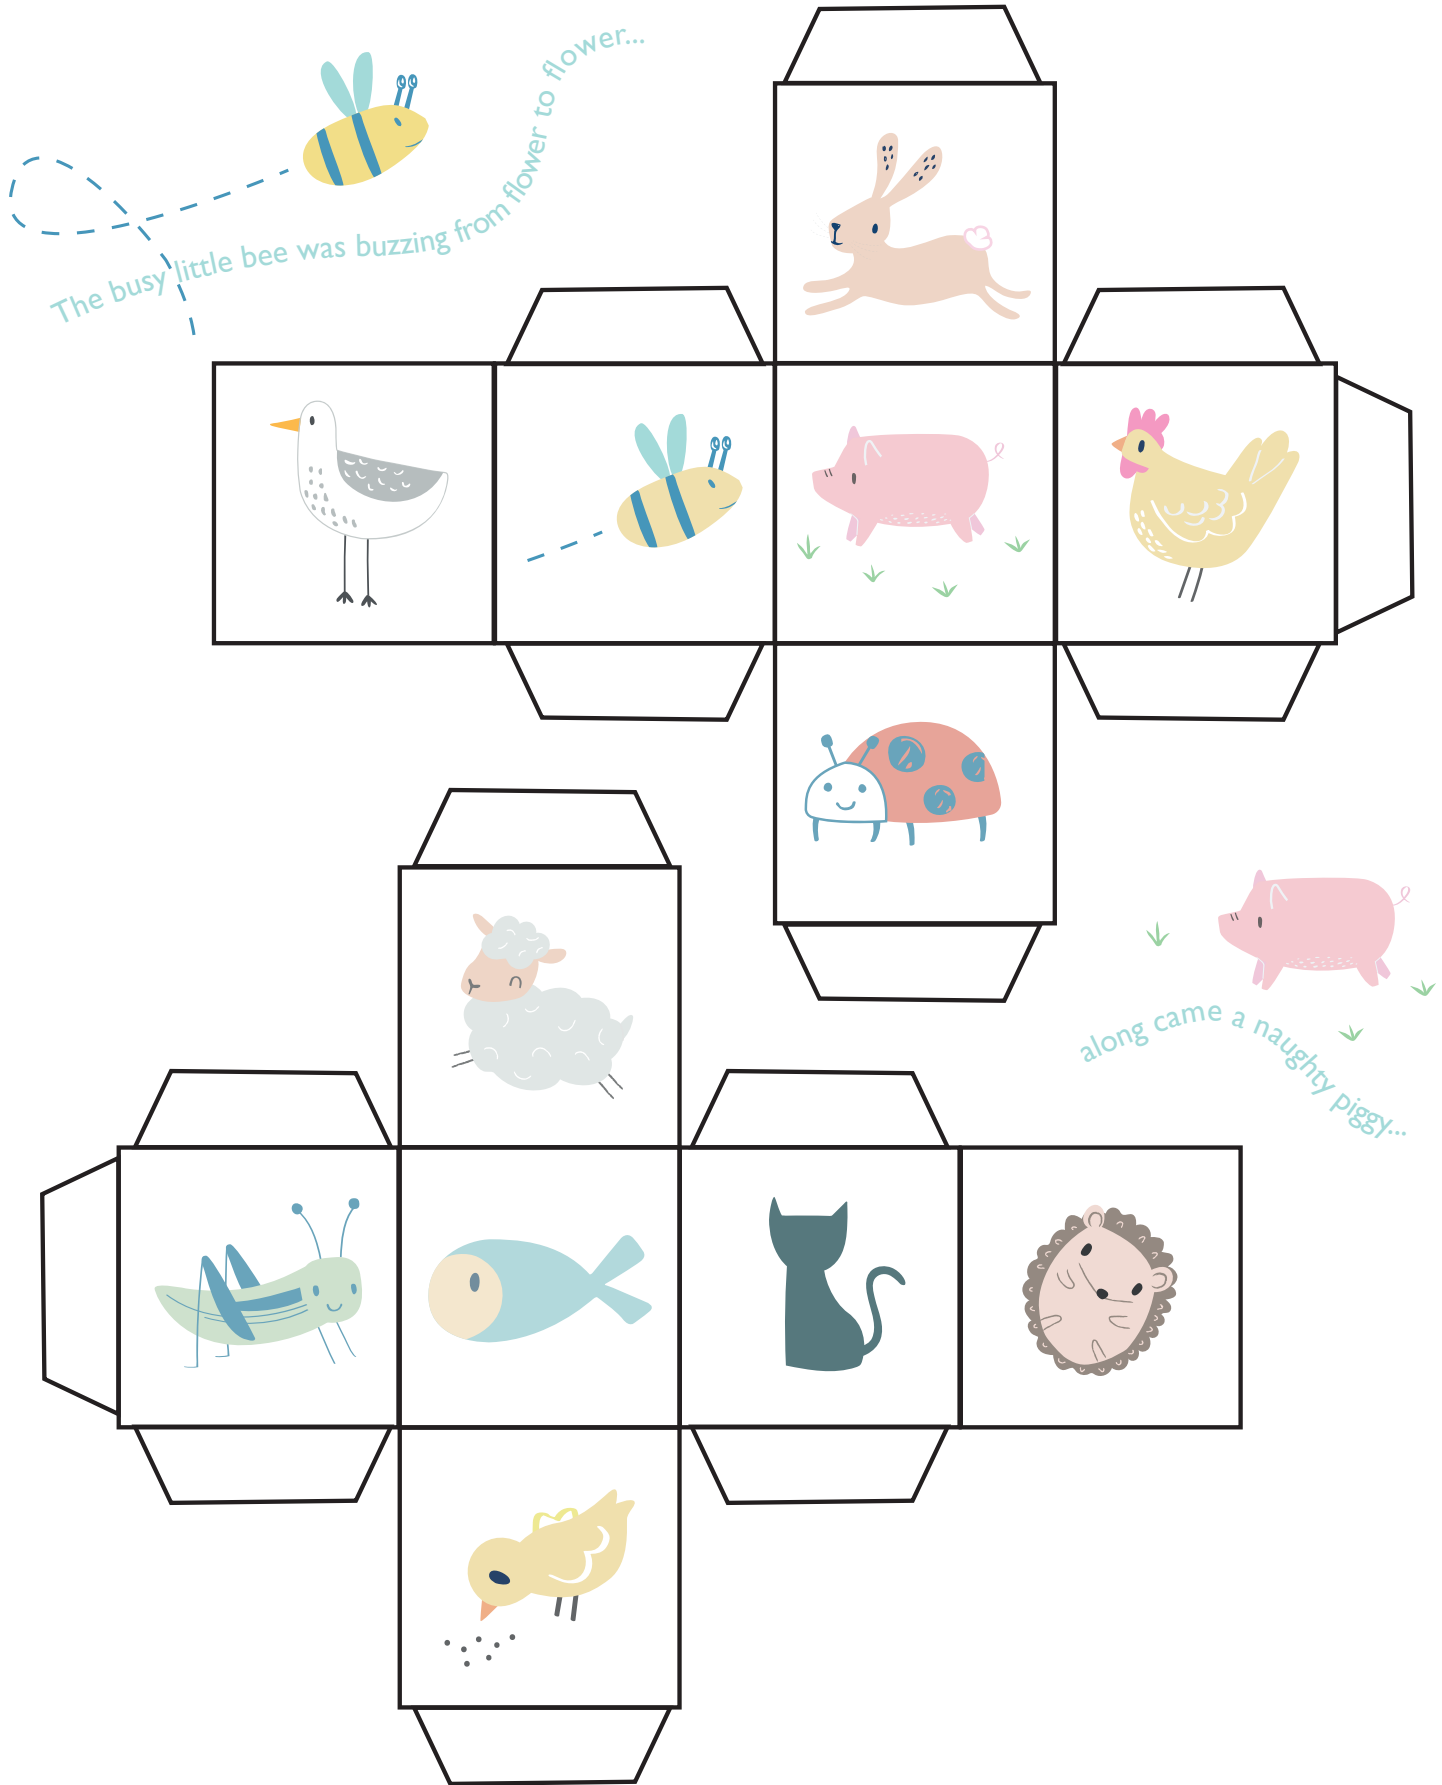

They passed the park with the pond...

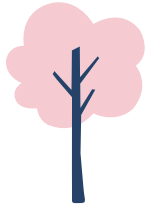

It was the perfect spot to sleep

Cut and stick these dice, then roll and see where their adventure will take them!

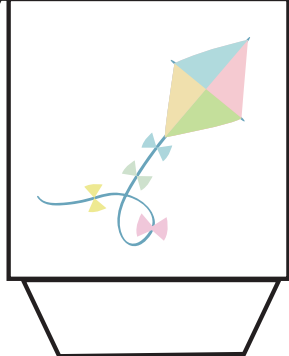

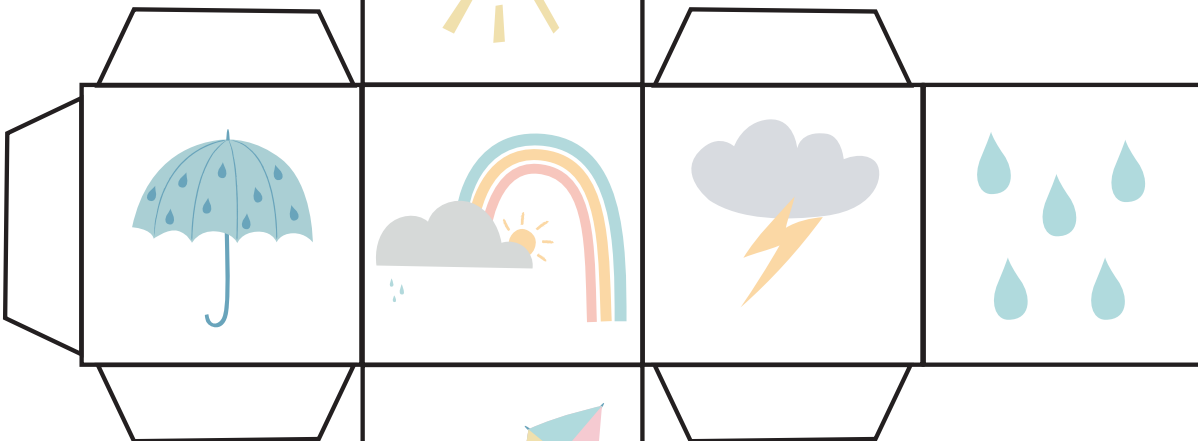

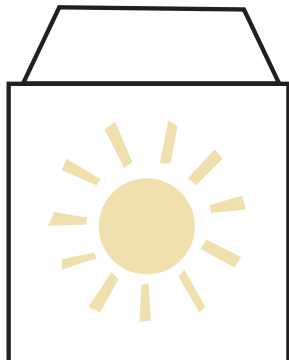

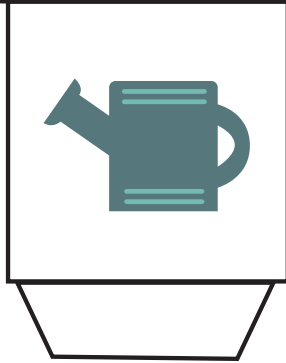

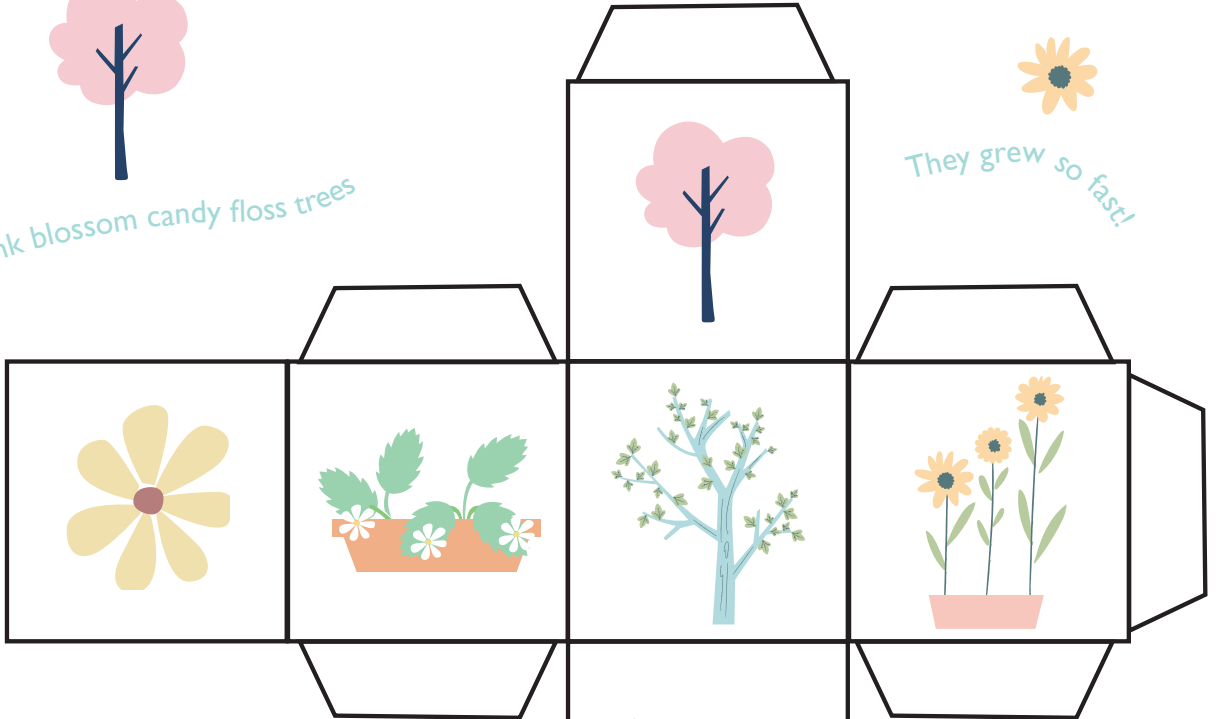

The pink blossom candy floss trees

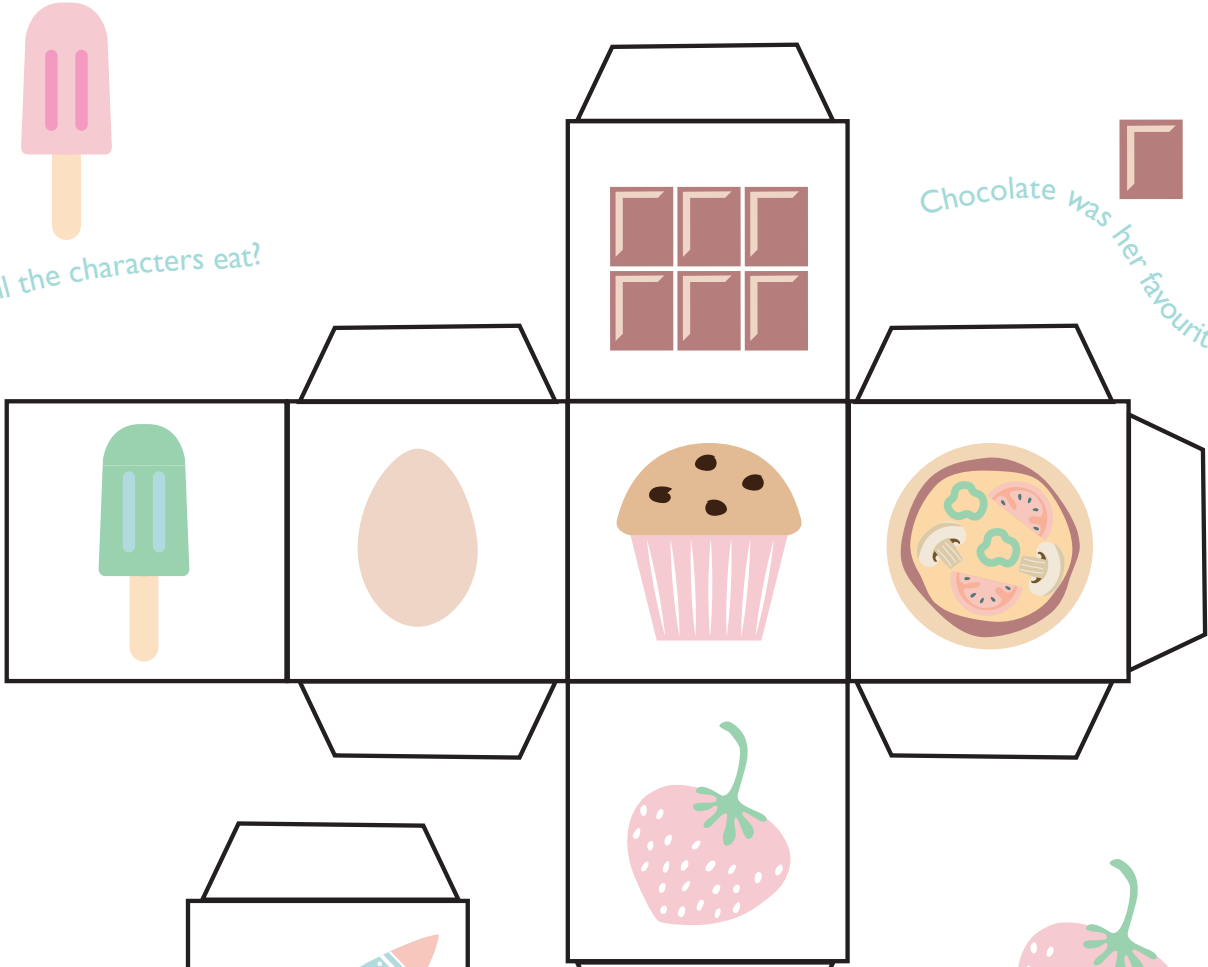

They grew so fast!

Drip drip drop went the rain drops

What will the characters eat?

Chocolate was her favourite

The pinkest she had ever seen...

Where will they blast off to?
