DESIGN YOUR OWN MONEY

Do you have coins in your money box? Empty them out and look at all of the wonderful designs- flowers, animals, kings, queens, coats of arms and always a date. Some rare coins have a special design featuring a sport or a

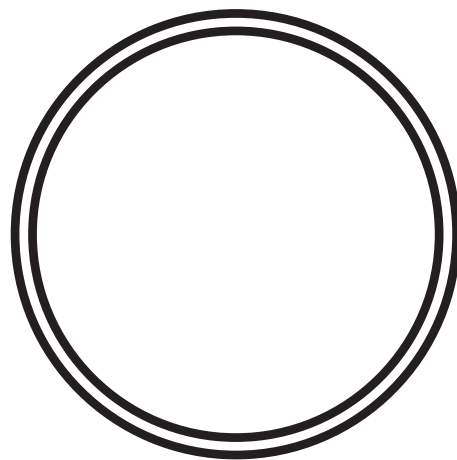

book character- these can be rare and collectable! Can you design 2 coins- you could draw your pet on them, your hobby or a favourite food. What colour will they be? How much will they be worth?

DESIGN YOUR OWN MONEY

The front of our paper bank notes always show the Queen and are very fancy and swirly. Look with a magnifying glass to see the wonderful hidden designs. On the back of the bank notes are pictures of famous people from history like artists, authors and war heroes.

Is there an author or an artist who's work you love? Perhaps there is someone in your family. Maybe you admire a sports person or your favourite teacher. **Draw them on your bank note to show you think they are great!**
