Thank you for shopping with GLTC, we hope you enjoy having this product in your home.

We know assembling furniture, toys or accessories is not everyone's favourite way to spend their time, so we've tried to make assembling this item as quick and painless as possible.

Hopefully our efforts will have been worthwhile and you'll sail through the whole process. But if it all feels a bit too much like hard work, then we do have an assembly company we can recommend: the Flatpack Construction Company offers a nationwide service and can be contacted on **0843 289 4951** or **www.flatpackconstruction.co.uk**.

A few important pointers before you start:

- Please read the instructions right through before you start, and check that all the components have been included in the pack; we find separating all the hardware into piles makes it easier to be sure that everything is present and correct.
- Make sure you have the right tools. Allen keys are provided if required, but screw drivers and other tools are not. You'll find details of the tools you need at the beginning of the instructions.
- It's a good idea to build the unit in the room where you are going to be using it, to avoid the need to move it after it's been assembled.
- Do not throw away any packing materials until assembly is complete, just in case you accidentally discard smaller parts or hardware.
- It might be worth checking on our website that there are no updates or revisions to these instructions, (if we have had helpful feedback from our other customers we pass it on via the product web page. Simply check the date and version number on the front of this leaflet against that of any site updates.

Component Check List

<p>A</p>  <p>1x Table top</p>	<p>B</p>  <p>4x Legs</p>
<p>#1</p>  <p>8x Leg Bolts</p>	<p>#2</p>  <p>8x Washers</p>
<p>#3</p>  <p>8x Split Washers</p>	 <p>1x Allen Key</p>

STEP 1:

Take the table top A and lay it upside down on a clean, dry and smooth surface.

The legs of the desk can now be attached. Take each bolt (#1) and thread on a split washer (#3) first followed by a flat washer (#2). Use 2 x bolts and washer sets for each leg (B)

Please note : When screwing in the pairs of bolts, for smoother insertion do not screw one individual bolt all the way in, but instead alternate securing each of the bolts until they are completely secure and as tight as they can possibly go.

Stand your table up and it is now ready to use.

Hardware for Step 1:

-  x8 #1 Leg Bolts
-  x8 #2 Washers
-  x8 #3 Split washers
