This product is covered by a limited one-year warranty. Coverage is subject to limits and exclusions. See warranty for details.

This pet warming mat uses polyethylene foam containing air bubbles that absorb, retain, and radiate your pet's natural body heat.

Suggested Use

1. Place warming mat on flat, level surface (pet bed, crate, kennel, etc.). Within a few minutes of lying on the mat, your pet will feel warmth.
2. Inner polyethylene foam contains air bubbles that absorb, retain and return your pet's natural body heat.
3. Pet warming mat prevents air from circulating between the pet's body and the bed, therefore maintaining your pet's body heat.
4. For faster warming, use together with a blanket.

Cleaning/Maintenance Instructions

1. Clean using mild soap and a damp cloth.
2. Hang to dry.
3. Do NOT machine wash or boil mat.
4. Do NOT use dryer (tumble-dry appliance) to dry the mat.
5. Ensure that the mat is dry before storing.
6. Store the mat in a clean, dry place.

PRECAUTIONS

- Do NOT place mat in direct sunlight or onto heat sources.
- Do NOT use in extremely humid conditions.
