Safety Precautions

- Always test the seat to make sure it is securely in place before driving.
- Never attach the containment strap to a pet's collar. Only attach it to a harness.

Setup

1. Place the booster seat onto the desired car seat.
2. Wrap the attached strap around the back of the seat. Adjust the height of the seat and then tighten the strap until it is tight and securely in place.
3. Lead the seat belt through the loops located on the back of the booster seat, clipping it securely into place.
4. Clip the small containment strap onto your pet's harness. Do not attach to a collar or risk harm to your pet.
5. Check that all straps are secure and that the seat will not move before attempting to drive.

Care and Maintenance

- Remove the cover to wash.
- Machine wash warm.
- Do not bleach.
- Tumble dry low.
