Mercedes *me* Store
 in collaboration with ST. ALI

The Lowdown

Welcome to Mercedes me store Melbourne, the first such concept store in Australia and just the eleventh worldwide. The purpose is to provide you with an unforgettable Mercedes-Benz experience in a relaxed environment, and one that is quintessentially Melbourne. What better way than over a delicious coffee and meal from our concept partner ST. ALI.

If you take more than a passing interest in the iconic three-pointed star, there are brand stories woven throughout the beautiful design to discover. You'll find gems in the library, the garage, or the land, air and sea booths.

By night, our focus turns to events that celebrate our passions - design, innovation, fashion, art and community leadership. Follow our socials to find out more.

Connecting, sharing, and inspiring is what this concept is all about – we hope you enjoy it.
